BC's Pages for Pizza

Brought to you by BC's Pizza

BC's Pizza Co is partnering with the Logan Public Library & the Woodbine Carnegie Public Library to encourage reading all year long!

Pre-K through 12th Grade students can earn a FREE one topping personal (7.5") pizza by checking out & reading 4 books from the library each month! Books must be at or above your reading level.

Pick up a pizza book log at the Logan Public Library or the Woodbine Carnegie Public Library & bring it in each time you return, library staff will mark off your books. When you've finished your 4 books for the month bring your completed book log to BC's Pizza & turn it in to receive your voucher for a free, single topping, personal size pizza (7.5"). Your pizza voucher is good through the entire month following the last book turned in.
